Recommended use

CHOLLEY Phytobiotech Instant Lifter is an instant flash action, easy to use product. It is ideal for:

1. The eye corners
2. Puffiness under the eyes
3. Lip contour area
4. Marionette lines
5. Neck area
6. Décolleté

For best results, after cleansing the skin, apply **CHOLLEY Phytobiotech Instant Lifter** on the treated area. With your fingertips lightly apply the product and spread it evenly on the area. The product penetrates rapidly and begins its lifting action immediately.

You can also apply **CHOLLEY Phytobiotech Instant Lifter** in the morning and evening, before the application of **CHOLLEY Phytobiotech Satin Balm** and **CHOLLEY Phytobiotech Satin ACE Cream** on the face, neck, and décolleté for an intense anti-aging and lifting effect.
