

BIOLASTON Peeling Naturel pour le Corps is a precious exfoliant cream for the entire body. It refreshes the skin by eliminating dead cells and excess keratin buildup. This improves oxygenation of the skin, which is stimulated by a natural scrub action.

BIOLASTON Peeling Naturel pour le Corps is rich in hydrating, emollient, and regenerating factors. It bestows silkiness to the skin and significantly improves its elasticity. **BIOLASTON Peeling Naturel pour le Corps** is an essential component of an anti-aging body program to preserve the firmness and the youthful appearance of the skin. It is also an indispensable product in preventing as well as attenuating stretch marks.

Performance characteristics & active ingredients

BIOLASTON Peeling Naturel pour le Corps performs important dermatological functions as follows:

- **Exfoliating and purifying action to remove dead cells and excess keratin**
BENTONITE
SALICYLIC ACID
PROPYLENE GLYCOL
- **Scrub action for enhanced exfoliation and oxygenation of the skin**
PRUNUS ARMENIACA (Apricot kernel)
- **Softening and conditioning action to improve skin's tone and elasticity**
GLYCERIN
GLYCERYL STEARATE
HYDROGENATED C12-18 TRIGLYCERIDES
UREA
HAMAMELIS VIRGINIANA (Witch hazel extract)
- **Reconstituent action to accelerate cellular regeneration process**
TOCOPHEROL (Vitamin E)
NIACINAMIDE (Vitamin B3)
RETINYL PALMITATE (Vitamin A)
ASCORBYL PALMITATE (Vitamin C)

Recommended use

BIOLASTON Peeling Naturel pour le Corps can be used for regular exfoliation at home or in professional body firming and toning treatments. It is a product that is suitable both for men and women, especially when the epidermis feels dry and flaky.

Application

For best results, apply the product on clean dry skin. Using the fingertips cover the entire body with a sufficient amount of **BIOLASTON Peeling Naturel pour le Corps**. Scrub gently but vigorously for a few minutes and then rinse completely with lukewarm water. The treatment may be repeated a couple of times per week.

The application of **BIOLASTON Peeling Naturel pour le Corps** can be enhanced by other **BIOLASTON** products as follows:

1. For dehydrated flaking skin after exfoliation use **BIOLASTON Emulsion pour le Corps**.
2. For tense and dehydrated skin, or to prevent stretch marks following the exfoliation use **BIOLASTON Phyto Huile pour le Corps**.
3. For an enhanced firming action, use **BIOLASTON Lifting Gel for Body** followed by the application **BIOLASTON Peeling Naturel pour le Corps**.
