

CHOLLEY Crème AHA is an elegantly textured cream containing alpha hydroxy acids. These naturally occurring ingredients, also known as fruit acids, have a long history of use in cosmetics reaching all the way back to the ancient Mesopotamian civilizations. They help improve softness, uniformity, hydration, and the barrier function of the skin. These precious properties when coupled with select precursors of collagen fibers and vitamins deliver a truly remarkable anti-aging effect by enhancing the cell renewal process of the epidermis and the connective tissue.

CHOLLEY Crème AHA has been specifically formulated to take advantage of the renewing power of alpha hydroxy acids. It helps hold back the formation of new wrinkles and diminish those already present. This wonderful cream can be used essentially by all types of skins and all age groups. After only few applications the skin attains new brightness, and the horny layer becomes more harmonious and uniform. **CHOLLEY Crème AHA** has a beautifully light touch and provides a perfect base for the application of makeup.

Performance characteristics & active ingredients

CHOLLEY Crème AHA performs important dermatological functions as follows:

- **Uses alpha hydroxy acids to soften, reinforce, and homogenize the skin**

GLYCOLIC ACID
CITRIC ACID
LACTIC ACID
MALIC ACID

- **Anti-wrinkle action by stimulating the cell renewal process**

OLIGOPEPTIDE-5
RETINYL PALMITATE (Vitamin A)
TOCOPHEROL (Vitamin E)
ASCORBYL PALMITATE (Vitamin C)
MATRICARIA OIL (Chamomile oil)
ARACHIS HYPOGAEA (Peanut oil)

- **Hydrating, emollient, and skin conditioning action**

PROPYLENE GLYCOL
SORBITOL
GLYCERIN
HYDROGENATED C12-18 TRIGLYCERIDES
MATRICARIA OIL
ARACHIS HYPOGAEA
CHAMOMILLA RECUTITA (Chamomile extract)
ARCTOSTAPHYLOS UVA URSI (Bearberry extract)
CETYL ALCOHOL

- **Antioxidant action to inhibit the activity of free radicals**

TOCOPHEROL
ASCORBYL PALMITATE

Recommended use

CHOLLEY Crème AHA is suitable for all skin types as an anti-aging and hydrating product for professional and home use.

Application

Morning and evening after complete cleansing of face, neck, and décolleté with **BIOREGENE Lait** and **BIOREGENE Lotion** (mixed to dry skins) or **BIOCLEAN Lait** and **BIOCLEAN Lotion** (oily skin) apply **CHOLLEY Crème AHA** to the entire area with a light massage.

Ingredients:

AQUA, PROPYLENE GLYCOL, CAPRYLIC/CAPRIC TRIGLYCERIDE, ETHYLHEXYL PALMITATE, STEARIC ACID, CETYL ALCOHOL, POTASSIUM CETYL PHOSPHATE, HYDROGENATED C12-18 TRIGLYCERIDES, SORBITOL, GLYCERYL STEARATE, GLYCERIN, GLYCOLIC ACID, C10-18 TRIGLYCERIDES, DIMETHICONE, SODIUM HYDROXIDE, BENZYL ALCOHOL, LACTIC ACID, CITRIC ACID, MALIC ACID, TOCOPHEROL, GLUCONOLACTONE, HYDROXYETHYLCELLULOSE, ARACHIS HYPOGAEA OIL, PARFUM, DEHYDROACETIC ACID, SALICYLIC ACID, RETINYL PALMITATE, ETHYLHEXYL STEARATE, PENTAERYTHRITYL TETRA-DI-T-BUTYL HYDROXYHYDROCINNAMATE, OLIGOPEPTIDE-5, CI 77491, ASCORBYL PALMITATE, ARCTOSTAPHYLOS UVA URSI LEAF EXTRACT, MATRICARIA RECUTITA FLOWER OIL, CHAMOMILLA RECUTITA FLOWER EXTRACT, HEXYL CINNAMAL, POLYGLYCERYL-4 DIISOSTEARATE/POLYHYDROXYSTEARATE/SEBACATE, SODIUM ISOSTEARATE, SODIUM HYALURONATE CROSSPOLYMER, LINALOOL, LIMONENE, ALPHA-ISOMETHYL IONONE, COUMARIN, CITRONELLOL.
