

CHOLLEY Crème Nutrisystème 24 Heures is an ideal cream for morning and evening use. It delivers a steady supply of moisturizers and micro-nutrients to the skin on a 24-hour basis to ensure a constant level of hydration and energy for metabolic activities. It also provides just the right amount of emollients to make the skin soft and velvet-like without an oily touch. For this reason **CHOLLEY Crème Nutrisystème 24 Heures** is a perfect cream for mixed or combination skins.

CHOLLEY Crème Nutrisystème 24 Heures has an elegant texture and a delicate perfume. It penetrates the epidermis with great efficiency and provides a splendid opaque base for makeup.

Performance characteristics & active ingredients
