

CHOLLEY Clearing Gel Cream SPF 30 is a versatile skin lightening product with multiple benefits. It is a luxuriant fluid cream rich in active ingredients that not only brighten the complexion, but also diminish scars, reinforce tissues, and hydrate the skin. It is an excellent product for anyone desiring a lighter complexion or a more harmonious skin.

Performance characteristics & active ingredients

CHOLLEY Clearing Gel-Cream SPF 30 performs principal dermatological actions as follows:

- **Skin clearing and repairing action**
AZELAMIDE MEA, GLYCYRRHIZA GLABRA ROOT EXTRACT, ARCTOSTAPHYLOS UVA URSI LEAF EXTRACT
- **UV protection (SPF 30)**
BUTYL METHOXYDIBENZOYLMETHANE, ETHYLHEXYL METHOXYCINNAMATE, OCTOCRYLENE
- **Anti-oxidant against free radicals and environmental pollutants**
PENTAERYTHRITYL TETRA-DI-T-BUTYL HYDROXYHYDROCINNAMATE, TOCOPHEROL
- **Hydrating action and film forming to prevent loss of moisture**
SODIUM HYALURONATE CROSSPOLYMER, PENTYLENE GLYCOL, SORBITOL, GLYCERIN, BUTYLENE GLYCOL, HYDROXYPROPYL STARCH PHOSPHATE, SCLEROTIUM GUM
- **Skin softening and smoothing action**
HYDROGENATED C12-18 TRIGLYCERIDES, DIMETHICONE, PANTHENOL (VITAMIN B5), TRITICUM VULGARE GERM OIL

Recommended use

CHOLLEY Clearing Gel-Cream SPF 30 is a perfect product for regular use to

1. Brighten the skin
2. Diminish pigmentation irregularities caused by age spots, dark patches, or melasma
3. Improve skin's appearance by reducing acne scars
4. Protect against UVA and UVB radiations (SPF 30)
5. Reduce wrinkles, firm up the skin, and improve its elasticity
6. Defend against oxidation and environmental pollution

CHOLLEY Clearing Gel-Cream SPF 30 is a superior product based on advanced Swiss biotechnology. It is exceptionally rich, light in texture, and with an enticing fresh scent that make it suitable for men and women of all ages in all types of climates. Its anti-oxidant action and UV protection help defend the skin against the ravages of time and the environment.

For best results, in the morning after a thorough cleansing, apply **CHOLLEY Clearing Gel-Cream SPF 30** with a very light massage on face neck and décolleté. On the age spots and dark patches apply a second layer of the product if needed. Massage very gently until it absorbed. Do not rub excessively, which can lead to formation of undesirable beads.

The use of **CHOLLEY Clearing Gel-Cream SPF 30** at night is not sensible as it contains solar UV filters. As an alternative we can recommend any of the following products:

- **CHOLLEY Phytobiotech Satin ACE Cream**
- **CHOLLEY Phyto Emulsion**
- **CHOLLEY Phytocell Whitintense Serum.**
