

CHOLLEY Phyto-Exfoliant Suractivée is a deep cleansing peeling mask that mimics the purifying action of a microderm abrasion. It uses the synergy of micro-spherical minerals and selected phyto extracts to intensely and profoundly purify the skin and to prevent the oxidation caused by free radicals.

CHOLLEY Phyto-Exfoliant Suractivée efficiently removes dead cells, excess oil and environmental grime without damaging the skin. By eliminating the excess keratin, which impedes proper oxygenation and other metabolic functions of the skin, the mask stimulates cellular regeneration and rehydration of the epidermis. It also purifies the pores and hair follicles to prevent formation of comedones and black heads.

Performance characteristics & active ingredients

CHOLLEY Phyto-Exfoliant Suractivée performs important dermatological functions as follows:

- **Intense exfoliating and skin harmonizing action**

HYDRATED SILICA
BENTONITE
ORYZA SATIVA
KAOLIN

- **Purifying and anti-oxidant action to deep cleanse the pores and hair follicles**

ROSMARINUS OFFICINALIS (Extract of rosemary)
CHELIDONIUM MAJUS (Greater celandine extract)
ASCORBYL PALMITATE (Vitamin C)
RESORCINOL

- **Skin conditioning and softening action**

UREA
CALCIUM PANTOTHENATE (Vitamin B5)
NIACINAMIDE
HAMAMELIS VIRGINIANA (Witch hazel extract)
SALICYLIC ACID

- **Hydrating and emollient action**

PROPYLENE GLYCOL
PPG-2 MYRISTYL ETHER PROPIONATE
SORBITOL
GLYCERIN
CETYL ALCOHOL
HYDROGENATED C12-18 TRIGLYCERIDES

Recommended use

CHOLLEY Phyto-Exfoliant Suractivée is recommended when the skin appears dull, opaque and poorly oxygenated. As an exfoliating product it can be used alone or in conjunction with **BIOCLEAN AHA Peeling Program**. It is suitable for most skins as long as they are not too fragile or sensitive.

Application

1. Cleanse face, neck, and décolleté with **BIOREGENE Lait** or **BIOCLEAN Lait**.
2. Apply a consistent layer of **CHOLLEY Phyto-Exfoliant Suractivée** on the entire treatment area
3. Let the mask rest for 5-10 minutes and then execute an exfoliating massage with fingertips.
4. Remove the mask with lukewarm water or a soft damp micro-fiber mitt.
5. Tone the skin with **BIOREGENE Lotion** or **BIOCLEAN Lotion**.
6. Complete the treatment with the application of a CHOLLEY cream appropriate for the type of skin.

CHOLLEY Phyto-Exfoliant Suractivée may be used 1 or 2 times a week as an exfoliant for intense purification and conditioning of the skin.

Ingredients:

AQUA, STEARIC ACID, PROPYLENE GLYCOL, PPG-2 MYRISTYL ETHER PROPIONATE, ISODECYL LAURATE, SORBITOL, SODIUM CETEARYL SULFATE, POTASSIUM CETYL PHOSPHATE, BENTONITE, GLYCERIN, CETYL ALCOHOL, BENZYL ALCOHOL, GLYCERYL STEARATE, ORYZA SATIVA STARCH, HYDRATED SILICA, CI 77891, POLYSORBATE 85, KAOLIN, HYDROXYETHYLCELLULOSE, UREA, HYDROGENATED C12-18 TRIGLYCERIDES, SALICYLIC ACID, DEHYDROACETIC ACID, ALCOHOL, ROSMARINUS OFFICINALIS LEAF EXTRACT, NIACINAMIDE, PARFUM, CALCIUM PANTOTHENATE, ASCORBYL PALMITATE, CHELIDONIUM MAJUS EXTRACT, HAMAMELIS VIRGINIANA EXTRACT, CI 75810
