

CHOLLEY Professional Makeup Remover is a bi-layer solution that safely, effectively, and quickly removes all traces of makeup. The upper translucent layer, composed of gentle oils, dissolves even the most resistant makeup. Lower turquoise layer eliminates all residues and minimizes the oily sensation. It leaves the eyelids clean, fresh, and cool.

Performance characteristics & active ingredients

CHOLLEY Professional Makeup Remover performs important dermatological functions as follows:

- **Removes all traces of makeup including long-lasting and water-resistant formulations**
- **Formulation adapted to sensitive eyes and corneal lens wearers**
- **Does not irritate, sting or burn eyes**
- **Does not leave any oily residue**
- **Does not contain a fragrance**
- **Does not contain parabens**
- **Gives a fresh feel to the eyes and lips**

Recommended use

CHOLLEY Professional Makeup Remover is suitable for all skin types, even the most sensitive ones.

Application

Shake the bottle before each use. Soak a cotton pad with **CHOLLEY Professional Makeup Remover**. Keeping the eyes closed, gently clean eyelids and eyelashes (from root to tip). With only a few swipes **CHOLLEY Professional Makeup Remover** gets rid of all trace of makeup.
